PROPOSED ORDER

By the Commission:

The Illinois Commerce Commission ("Commission") entered a Citation Order initiating the instant citation proceeding against AccessLine LD Services, Inc. ("Respondent") for allegedly failing to be in good corporate standing with the Secretary of State of the State of Illinois ("Secretary of State"). That Order was served on Respondent and it directed Respondent to appear at a hearing in Springfield, Illinois on a specified date to show cause why its certificate of service authority as a telecommunications carrier should not be rescinded.

This matter came on for hearing before a duly authorized administrative law judge at the designated time and place. Respondent did not appear at the hearing. The Commission Staff appeared through counsel, presented evidence that Respondent is no longer certificated as a corporation in good corporate standing with the Secretary of State, and recommended that Respondent's certificate of service authority from this Commission be revoked. The record was marked "Heard and Taken." A proposed order was served on the parties.

The Commission, having reviewed the record, finds that Respondent's certificate of service authority should be revoked for failure to be in good corporate standing with the Secretary of State.

IT IS THEREFORE ORDERED by the Commission that the certificate of service authority as a telecommunications carrier, previously issued to Respondent by this Commission, is hereby cancelled and revoked.

IT IS FURTHER ORDERED that subject to the provisions of Section 10-113 of the Public Utilities Act and 83 Ill. Adm. Code 200.880, this Order is final; it is not subject to the Administrative Review Law.

By proposed order this 9th day of November, 2004.
